Covid-19 Visitation Policy

As a result of the Covid-19 pandemic, the following protocols with regard to visiting Christ Church Cathedral have been implemented in accordance with the Department of Health, Health & Safety Executive (HSE), Health & Safety Authority (HSA), World Health Organisation (WHO), and Fáilte Ireland. These measures are subject to revision in conjunction with what is considered best practice.

- Face coverings are advisory for services and visiting, not mandatory;
- Hand sanitisation stations available upon entrance and throughout the cathedral;
- Perspex screen installed at Welcome Desk & Gift Shop;
- Timed entrance tickets to reduce visitor numbers and increase safety for visitors & staff;
- Increased frequency in cleaning & disinfecting contact points;
- Cathedral staff have completed Covid-19 re-induction training;
- Covid-19 Safety Charter compliant as per Fáilte Ireland and Government public health advice.

Please contact the cathedral office with any queries/concerns:
